Office Memorandum • UNITED STATES GOVERNMENT

TO : MEMO FOR THE RECORD

DATE: 14 April 1952

FROM : General Counsel

SUBJECT: Item for the Daily Log - 14 April - (Monday)

Mr. Warner reported at the Staff Conference that possibly the study group having representatives from the Bureau of the Budget, the Civil Service Commission, and the Federal Security Agency should be followed by CIA. The fact was discussed by the Bureau of the Budget that the approval of the President was necessary to study ways and means of coordinating social security and retirement for Government employees. The final report is not expected for at least six months. At present Colonel White requested this office to develop information on the matter through the Bureau of the Budget, specifically Roger Jones or other appropriate people.
